Fall In Love with 50% Off at Honua Kai Resort & Spa

Cost-saving Rates, Amenities and Activities Help Honeymooners

Kaanapali North Beach, Maui (July 23, 2009) – Maui is one of the most dreamt about wedding and honeymoon destinations in the world. As the island's newest luxury resort, [Honua Kai Resort & Spa](#) has made a special "dream deal" with the Fall Special at 50 percent of rates starting at \$200 nightly and including cost-saving amenities and activities.

The Fall Special 2009 rates start at \$200 per night for the Ohana Resort View category and 50 percent off published rack rates in Ohana, one- and two-bedroom categories, based on availability. Rates are valid September 1 through December 12, 2009, based upon double occupancy Ohana and one-bedroom, and up to four in two-bedroom category.

The 318 guest suites are spacious and home-like with fully-appointed kitchens, the perfect place to make magic together. To avoid room service charges, visitors may shop for organic produce, meats, cheeses and wines in Maui Chef James McDonald's new `Aina Gourmet Market and prepare meals in the suite.

It's only a few minutes walk to restaurants in nearby Honokowai where local residents spend less on meals, and selections from the west side farmers marketing make an ideal picnic to enjoy on a day away from the hotel.

Many onsite activities are at no cost. Couples can save on the expense of a snorkel cruise and walk right into the ocean from the sandy beach fronting the Resort where a living coral reef provides food and shelter for an abundance of sea life creating an underwater show to rival any other snorkel spot on Maui. Birdwatchers gather near a small wetland pond and dune on the 38-acre property that is being restored with indigenous beach plants, creating a healthy habitat that is drawing increasing numbers of migratory and water birds.

A beach path fronting the resort connects North Beach to Kaanapali Beach and is the ideal seaside walking and jogging path. The best spot to witness the brilliant Maui sunset is none other than the oversize private *lanais* in the ocean view suites, *mai tai* in hand of course.

Poolside, enjoy complimentary shade umbrellas (many Maui resorts charge an average of \$100 per day for shade cabanas,) while in-pool water loungers are the perfect way to relax comfortably while cooling off.

Romantics can still have a trip of a lifetime at Honua Kai Resort & Spa, and trim expenses, too.
